

2022-2023 Karla Bartholomy Memorial Music Scholarship Application

Karla Bartholomy was my very first cello teacher and she had a massive heart. As my family struggled to pay for lessons she allowed us to barter in lieu of payment. It is in her memory that I establish the Karla Bartholomy Memorial Music Scholarship. My goal as a musician and a good human being is to continue her legacy of sharing music with students who may not have the resources to be able to study.
